HAPPY HOUR

“Happy hour” takes on a whole new meaning when you’re spending it in jail. Then there’s the suspended driver’s license and up to \$6,300 in fines, too. A DUI will *always* cost you, and it’s *never* worth it.

Don’t let a DUI redefine you.

Get home safe. Text TAXI to 99000 for a list of cabs in your area.

LAST CALL

“Last call” takes on a whole new meaning when it’s done from jail. A suspended driver’s license, up to \$6,300 in fines and, yes, jail time. A DUI will *always* cost you, and it’s *never* worth it.

Don’t let a DUI redefine you.

Get home safe. Text TAXI to 99000 for a list of cabs in your area.
